Coronavirus – COVID-19

Dear Friends,

Hopefully we can all help each other in these difficult times.

If you have any elderly or vulnerable neighbours, please help them if you can.

If we can help in any way please do let us know. Contact us at:
highamsra@gmail.com or on 07784 774 241.

You should also be wary of potential scams! Fraudsters may try to take advantage of the situation, as people are worried and nervous:

- Ignore unsolicited emails, phone calls and texts who claim to have details or can help with the Coronavirus (COVID-19).
- Tell any elderly or vulnerable neighbours to be cautious of strangers and cold-callers who come to the door unexpectedly and offer to help. If in doubt, send them away!

Local groups such as ours, are offering help, but you have to get in touch and ask for it!

Finally we are postponing the AGM planned for April until further notice.

Please let's all help each other.

Many thanks,

Dave Jennings
